Dear Advertiser:

On behalf of the 5,000 members of the North Carolina State Lodge Fraternal Order of Police, I would like to thank you for supporting law enforcement in North Carolina through your purchase of an advertisement in our publication, "*Police Officer Magazine*".

The FOP is an organization that promotes the well being of law enforcement and citizens of our state. We are able to provide benefits to our law enforcement members such as our death benefit program, which provides assistance to the families of deceased officers, and our legal defense fund, which ensures our member officers proper representation when legal issues arise out of the performance of their duties.

We are also involved in the legislative process on the national and state level by supporting legislation that enhances the legal process to protect our citizens and officers alike from the criminal element of our society.

The FOP is involved in many community-oriented projects done through local lodges. These projects are designed to assist the elderly, handicapped, and the needy. Other projects are focused on our youth, assisting them in becoming law-abiding citizens.

In appreciation, we present to you this certificate. We hope that you will display it in your support for law enforcement. It may also remind you of the sacrifices that North Carolina's law enforcement officers make every day for the well being of our citizens.

Again, we thank you for your continued support.

Very truly yours,

Jeff Ensminger

Re. CITY OF MEDICINE ROAD RACE

Dear Tommy

A slightly belated but most sincere THANK YOU for your sponsorship of the 2002 City of Medicine Road Race. Because of you and our other sponsors, we were able to net more than \$40,000 for Lincoln Community Health Center to help support healthcare programs for their more than 33,000 medically underserved patient population. Without your support, many of the programs offered by Lincoln would not be available due to a lack of funding. This year's race was our most successful as well as the largest in our 18 year history. Due to the USAT&F (USA Track & Field) selecting our 15K to be part of their state competition series, we were able to attract runners from throughout North Carolina and across the country. Despite the rain that day, we attracted close to 900 participants besting our previous record of just over 650.

As we put the finish touches on this year's event, we begin planning for the 2003 City of Medicine Road Race and with the continued support of our sponsors, we anticipate an even bigger event and even more exposure for you. Again, thank you for your support in 2002. We look forward to the opportunity to work with you in 2003.

Thank you for sponsoring the Methodist Home for Children's sixth annual black tie gala on January 25, 2003. Over 400 people dined, danced, and honored "guardian angels" who have made contributions in our communities and across our state. We are so fortunate to have such committed individuals and organizations working on behalf of society's most vulnerable citizens – children. Thank you for sharing in this very special occasion with many of our state's leading citizens as, together, we seek better ways to meet the changing needs of children and families.

Thank you for taking a moral stand

benefit you economically, but the community

The Fox Network continues to lower its

My wife and I wanted to say thank you for the stand you took in refusing to give air time to the "Married In America" trash program. We would not have known about it not being aired because we do not watch that kind of programming, but we saw the write-up that was given to your action that appeared in the April, 2003 edition of the "PTC Insider"

TO ALL EMPLOYEES,

We sincerely appreciate the outstanding support your staff of WRAZ-TV have continually provided the North Carolina National Guard. We are proud of our relationship with the 100 North Carolina counties where we are located in 75 with 94 armories and we've never forgotten that our first mission is to support the local community. Without your generous contribution of our Non-Commercial Sustaining Announcements, we could not adequately man, equip and train the soldiers necessary for our local, state and federal missions.

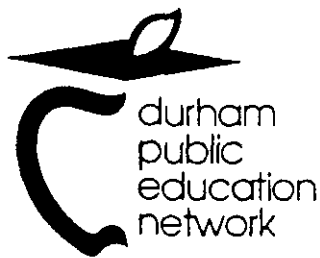

With your help, we have maintained a force of over 10,300 soldiers throughout North Carolina who serve part-time and are committed full-time to being ready when needed. We have helped thousands of these citizen-soldiers earn a college degree, receive formal training and gain specialized skills. The National Guard is unique among Armed Services, with a dual mission to the state and nation. With lineage dating to 1636, we are proud to be America's oldest Armed Services.

We know how valuable your airtime is and we humbly appreciate the trust you've placed in us. If we can be of service to you now or in the future, please let us know.

On behalf of the 2003 Walk for Education Committee and the Durham Public Education Network, thank you for all you did to contribute to the success of the Walk through your media support. Having the spot playing on your station was so important in getting more people in the community educated about the mission of the Durham Public Education Network and involved with the Walk.

The Walk for Education raised approximately \$58,000.00 to support the improvement of education for every child in Durham Public Schools, through the Durham Public Education programs such as Teacher Initiative Grants, Reading First, Celebration of Education, the Education Summit and Durham's Covenant for Education. Thank you once again.

Sincerely,

Dear Tommy,

On behalf of the board and staff of Prevent Child Abuse North Carolina, please accept our heartfelt thanks for your support of our seventh annual "Picture This" held April 12, 2003, at Exploris in Raleigh. Thank you for your generous gift of \$2,500 and the production of a commercial and airtime to help publicize the event.

The event was a success! Over 275 guests attended and approximately \$23,000 was raised to provide prevention services to children and families across the state. Guests enjoyed a wonderful art and photography exhibit, dancing with the Big Bertha band, a silent auction, and food by Hammon's Catering.

Every year in North Carolina, more than 100,000 children are reported as abused or neglected. The proceeds from this vital event will enable Prevent Child Abuse North Carolina to continue our efforts to provide support to new parents, educational materials for families, training for educators and child care providers, and support and information through our toll-free hotlines. It is only with the help of concerned, committed citizens like you that we can achieve our mission of preventing child abuse in all its forms.

Thank you again for becoming a corporate sponsor and helping us to protect children and strengthen families.

Sincerely,

Building Stronger Communities

Mr Tommy Schenck  
General Manager  
WRAZ-TV

Durham, NC 27701

Dear Mr Schenck

Duke University's Office of Community Affairs thanks you for the pledge of \$500.00 WRAZ-TV made recently to the 2003 Duke-Durham Campaign Your generosity is much appreciated

Four years ago it was decided that all the monies raised in the annual Duke-Durham Campaign should go to support the Neighborhood Partnership This change has increased ties between our donors in the business community and those neighborhoods, community centers and schools that benefit from this partnership Local businesses that participate in this historically important fund-raising effort help to provide the resources necessary for Duke's support of its long-term commitment to Durham

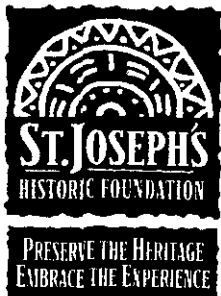

Duke is now widely recognized within the local community as a significant force for good in the lives of people who are most challenged, from our extensive affordable housing programs to the new health care clinic at the Lyon Park Community Family Life and Recreation Center and job training programs in Walltown Nowhere is Duke's impact more dramatic than in our collaboration with the public schools More than 400 Duke students, faculty, staff, and retirees (DURO) now tutor in the local public schools near campus The partnership has assisted Lakewood Elementary School in creating an interactive horticultural learning environment, supported the efforts for the construction of a shaded learning arbor at Morehead Montessori and coordinated the landscaping and outdoor science classroom currently being completed at E K Powe Elementary School that complements the recently constructed science resource center Plans for this year include program support for the Walltown Children's Theater and the Emily Krzyzewski Center in the Burch Avenue neighborhood, as well as the renovation of the former Duke Laundry into an assisted living facility for Durham seniors

Your generous contribution supports these on-going projects and programs and initiates new ones as well Duke University is very grateful For your convenience, I am enclosing an invoice and a return envelope

Dear Matt:

Thank you for playing in this year's Carolina Kid's Classic. While we were all very disappointed that the weather abbreviated the day's activities, we appreciated everyone's support and understanding of the circumstances.

Dear Tommy,

Thank you for your contributions to Annual Meeting 2003! Without your assistance as a Music Sponsor, we would not be able to provide our membership with the type of meeting that we experienced last month. What a night! We continue to receive positive comments on General Shelton and the entire event.

Your company's continual commitment to Chamber initiatives pushes each of our programs and the organization as a whole to the top! Every sponsorship we receive adds so much to the overall success of each event we organize.

Again, we thank you for all that you did to make Annual Meeting 2003 a huge success. We greatly appreciate your time and commitment. We hope to have the opportunity to work with you again in the future. Please feel free to contact us with any questions, concerns or ideas you would like to share!

# ATLANTIC COAST CONFERENCE

OFFICE OF THE COMMISSIONER

Mr Tommy Schenck  
Capitol Broadcasting Company, Inc  
2619 Western Boulevard  
Raleigh, NC 27606

Dear Tommy.

On behalf of the Atlantic Coast Conference, I would like to thank you and Capitol Broadcasting Company for your tremendous support of ACC Soccer.

As you know the Atlantic Coast Conference has a rich history and tradition in both men's and women's soccer, with our men's teams winning 10 national championships over the history of the NCAA, and of course the storied history of the UNC women's soccer program who has won 11 of 16 NCAA national championships

This will be the second year in a row that SAS Soccer Park has hosted our men's championship and the inaugural year for the women. We look forward to some exciting and competitive matches to showcase what ACC Soccer is all about and with the help of Capitol Broadcasting Company; the ACC will be able to provide an electric atmosphere and tremendous exposure for our student-athletes.

Your generosity by involving MIX 101.5, FOX 50 News; and WRAL TV-5 is going to allow the ACC Men's and Women's Soccer Championships, and specifically the quarterfinal rounds, to be promoted and marketed throughout the triangle area and beyond. We fully expect your efforts to bring an excitement to our championships that is second to none

I simply want to thank you for your commitment of time and resources to help the ACC make these the most successful and well attended men's and women's soccer championships to date. I hope to see you out at SAS Soccer Park in November. Thanks again, and best wishes

Sincerely,

Dear Sir

My wife and I wanted to say thank you for the stand you took in refusing to give air- time to the "Married In America" trash program. We would not have known about it not being aired because we do not watch that kind of programming, but we saw the write-up that was given to your action that appeared in the April, 2003 edition of the "PTC Insider"

We wanted you to know that your "Community" appreciates your taking care of the interests of those like us who value the sanctity of marriage and common decency. GOD bless you and your efforts.
